BROKERAGE EVENT oriented on SME “Innovation Research and Development in Food and Health sectors” 20-21 July 2011, Uzhhorod, Ukraine

**“Investing in Innovation: Joint Opportunities of SMEs and R&D communities
within current FP7 calls 2012 in KBBE and HEALTH priorities”**

*The purpose of the Brokerage event is to form European consortiums of SMEs and RTD for their participation
in EU 7th Framework Programme (FP7) on research and technology development.
It is organized in the form of presentations, negotiations, and consultations.*

Organizers:

- EU-funded Project “Joint Support Office for enhancing Ukraine’s integration into the European Research Area” (JSO-ERA)
- EU-funded Project “Sustainable exploitation of bioactive components from the Black Sea Area traditional foods” (BASEFOOD)
- EU-funded Project “Improving the enabling environment and public awareness for innovation in the South-East-European food sector through transnational collaboration” (CAPINFOOD)
- Research and Techno Parks of Uzhhorod National University
- NTP “Agro-Food”
- The Regional State Administration of Transcarpathia
- Transcarpathian Regional Council

Training 1

“Training for Trainers, for the all regional Agencies”

By Mr. Maximililian Foedinger: JSO-ERA Key Expert Team for Innovation & Technology Transfer

Topics:

1. Train the Trainer Handbook: Introduction: on both languages
2. Training Modules: an Instruction how to use for the successful proposal submission
3. Philosophy and Strategy of training procedure: lessons to learn

Training - Round table discussion - 2

“Ukrainian SMEs: Meeting of the Stakeholder’s of “BaSeFood” project, Responsible Partner: T C Yeditepe University (YEDITEPE), Turkey

**By Prof. Paul M. Finglas, Head of Food Databanks Exploitation Platform EuroFIR, Institute of Food Research, Norwich, UK, and
Prof. Nadiya Boyko, Head of LMMI, Director of CTSC, Uzhhorod National University, Ukraine**

Topics:

1. Who can be the stakeholder of “BaSeFood” project: template of criteria developed by T C Yeditepe University (YEDITEPE), Turkey
2. Regional [National] Stakeholders: Introduction of the List
3. Foreign (external) Stakeholders: Introduction of the List
4. Expected advantages of Stakeholders of “BaSeFood” Project
5. EuroFir and BaSeFood: stakeholders and future connection

Training – Round table discussion – 3
“ETP and Ukrainian NTP: “Food for Life””

By Prof. Brian McKenna, Co-ordinator of European Technology Platform - *Food for Life*, Emeritus Professor of Food Science, UCD, and Prof. Nadiya Boyko, Head of LMMI, Director of CTSC, Uzhhorod National University, Ukraine, and Mr. Robert and Mr. Ernest Horvat, owners of “Dastor” city Supermarket, and Prof. Oleksandr Tarariko, Institute of agroecology and environmental economics of NAASU, and Dr. Oleh Luksha, Director of International Institute of human and globalistics “Noosphere”

Topics:

1. ETP “Food for Life”: Tasks and SRIA: Introduction
2. Ukrainian NTP “Agro-Food” – Current Structure, Registration and Action Plan via Innovation in Food and Health Sectors
3. Vision of required/proposed activities of Ukrainian NTP via current Agro-Food Market needs in Ukraine
4. Scientific Park: AgroEco – Kyiv: Introduction
5. Food and Health in the Conception of System Globalistics
6. Discussion and Conclusion
7. Resolutions

Training – Round table discussion – 4

Title: Research Park in Uzhhorod National University: general trends of activities

Topics:

1. Presentations of topics, programmes and outline plan of the Research Park activity
2. Presentation of innovative projects and their discussion
