

2 DISSEMINATION TABLE

BOLD: events for which the presented material is available in the BaSeFood web site

Only the presenter institution is cited. For the complete list of contributors, see the documentation uploaded in the other sections of Dissemination

Date	Name of the event	Place	Type of activity	Target	Results disseminated (Work package involved)
April 25-30, 2009	Catering and Hospitality Conference	Wisla, Poland	Presentation	restaurant and catering teachers	Project overview- WP6 - (UFT)
June 8-12, 2009	EURRECA WEEK	Barcelona, Spain	Poster presentation	nutrition scientist	Introduction of FP7 BaSeFood project - WP6 (IMR)
July 1, 2009	UniBo and IFR: ongoing projects and future collaborations	Bologna, Italy	Presentation	researchers	The BaSeFood project. review of general aspects, and present status - WP6 (UNIBO)
July 10-11, 2009	Bulgarian Catering Association	Sofia, Bulgaria	Presentation	stakeholders	Project overview- WP6 - (UFT)
July 27-30, 2009	8th Pangborn sensory science symposium	Florence, Italy	Poster presentation	food scientists	A Survey on the Perception of Foods of the Russian-Speaking Communities in Italy - WP5 (UNIBO)
September 8-11, 2009	3rd EuroFIR Congress	Vienna, Austria	Presentation	EuroFIR members, food scientists	BaSeFood: Sustainable exploitation of bioactive components from the Black Sea Area traditional foods (FP7-KBBE-227118). General aspects, and current status - WP6 (UNIBO)
September 17-18, 2009	Ecotrophology: aspects of food security and food safety	Bila Tserkva, Ukraine	Presentation	Food scientists, food stakeholders	The BaSeFood project: investigations towards the development of traditional

					foods concepts in Ukraine - WP6- (UZNHU)
October 20-21, 2009	Hospitality In The Multicultural Environment	Tallinn, Estonia	Presentation	Food scientists, hospitality teachers	Project overview- WP6 - (UFT)
October 29, 2009	Cibus TeC 2009 Food processing and Packaging Exhibition	Parma, Italy	Presentation during TRUEFOOD Infoday	Food stakeholder, food scientists	Project overview - WP6 - (SPES)
October 4, 2009	19th International Congress of Nutrition	Bangkok, Thailand	Pre-congress workshop	Food scientists Public Health professionals Food Stakeholders	Project overview - WP6 (HHF)
October 7-8, 2009	VII International Scientific and Practical Conference and Exhibition "Technologies and products of healthy food. Functional foods"	Moscow, Russian Federation	Presentation	Food scientists Public Health professionals Food Stakeholders	Project overview - WP6 (MSUFP)
November 3-4, 2009	Ukrainian-Hungarian Days for the Extending of the Bilateral Cooperation	Uzhhorod, Ukraine	Presentation	Food scientists Public Health professionals Food Stakeholders	Prioritised Transcarpatian food of plant origin: composition, data base, health claims and Languag - WP1 (UZHNU)
November 11-12, 2009	The 5th Meeting of the UNU/SCN Network for Capacity Development in Nutrition in Central and Eastern Europe (NCDNCEE)	Belgrade, Serbia	Presentation	Public Health Nutritionist, Researchers, CEE/Balkan Region Researchers and Professionals	BaSeFood: Sustainable exploitation of bioactive components from the Black Sea Area traditional foods (FP7-KBBE-227118) - WP6 (UNIBO)
December 10-17, 2009	Bridging Spirituality and Health from Traditional Cuisine during Christmas Fasting	Bucharest, Romania	Workshop	Food scientist, social science scientists, general public	Project's overview, Romanian traditional foods - WP6, WP1 (ASE)
January 28, 2010	TRUEFOOD seminar "Elementi di marketing e managment"	Naples, Italy	Presentation	SMEs, stakeholders	Project's overview (SPES)

March 8-10, 2010	TRUEFOOD meeting and workshop	Istanbul, Tukey	Presentation	Tuefood members, stakeholders, press	Project's presentation - WP6 (SPES, YEDITEPE)
March 18-19, 2010	Bulgarian Slow Food Organization	Sofia, Bulgaria	Presentation	stakeholders	Project overview- WP6 - (UFT)
March 24, 2010	TDK Konferencia	Nyiregyhaza, Hungary	Oral Presentation, Abstract published	Public Health professionals	Highlights on food consumption, morbidity and mortality in Ukraine - WP1 (UZHNU)
March 24, 2010	TDK Konferencia	Nyiregyhaza, Hungary	Oral Presentation, Abstract published	Public Health professionals	Concept, Objectives and further investigation of Uzhhorod National University within the BaSeFood Project - WP6 (UZHNU)
March 25, 2010	The EuroFIR stakeholder event	Brussels Belgium	Presentation	EuroFIR members and stakeholders	Sustainable exploitation of bioactive components from the Black Sea Area traditional foods (BaSeFood). Utilising experiences and procedures from EuroFIR - WP6 (UNIBO)
Every Thursday of April 2010	Branding Romania through its culinary habits	Bucharest, Romania	Workshop / Training Atelier	Project team, researchers, students	Changing into good the local consumption habits Project's overview, Romanian traditional foods - WP6, WP1 (ASE)
April 8-9, 2010	8 th International Research and Practice Conference "Biogeochemical aspects of human health maintenance"	"Kvitka Polonyny", Transcarpathian oblast, Ukraine	Oral Presentation, Abstract published	Food scientists Public Health professionals Food Stakeholders	Traditional food of Ukrainians – investigation within the framework of FP7 EU project "BaSeFood". - WP6 (UZHNU)
April 14-16, 2010	8 th International Research and Practice Student and Young Science Conference "The Scientific Potential of Youth - Progress of Medicine in Future"	Uzhhorod, Ukraine	Oral Presentation, Abstract Published	Food scientists Public Health professionals Food Stakeholders	Basic approach of food indexing by EuroFIR and LanguaL programmes - WP1 (UZHNU)

April 14-16, 2010	8th International Research and Practice Student and Young Science Conference "The Scientific Potential of Youth - Progress of Medicine in Future"	Uzhhorod, Ukraine	Oral Presentation, Abstract published	Food scientists Public Health professionals Food Stakeholders	The BaSeFood Project in Ukraine: the Aims, Perspectives and First Results- WP6 (UZHNU)
April, 23 2010	PhD DAY	Piacenza, Italy	Presentation	Students, SMEs, stakeholders, nutritionists, technicians	Project citation - WP6 - (SPES)
April 26, 2010	Process for Centre of excellence accreditation -meeting-	Belgrade, Serbia	Presentation	Ministry of science and environmental protection professionals	Introduction of FP7 BaSeFood project - WP6 - (IMR)
April 30- May 2, 2010	Tradition ,Health, Responsibility	Hobana, Gureni, Tg. Jiu, Romania	Itinerant Cluster workshop for traditional recipes recording and networking with stakeholders and facilitators Presentations Applications	stakeholders , producers, consumers, traditions keepers	Project's overview, Romanian traditional foods - WP6, WP1 (ASE)
May 20, 2010	Proposal for collaboration in new interdisciplinary research project for the period 2011-2014	Belgrade, Serbia	Presentation	Company Biomelem; Composite; Candy sweet; Aman Food producers, Consumers association and SME from Serbia	Introduction of FP7 BaSeFood project - WP6 - (IMR)
May 19-21, 2010	12th International Slavonic-Baltic Scientific Forum "Sankt-Petersburg – Gastro - 2010"	St. Petersburg, Russian Federation	Presentation, Abstracts published	Food scientists, researches	Ukrainian traditional food: database creation, program indexation and potential health claims – WP1, WP2, WP3 (UZHNU)

June 7, 2010	The Informative Meeting - Practical Approaches and Research of Nutrition in Serbia	Belgrade, Serbia	website, uploading the Announcement and Agenda for the Meeting	Pharmacy, Faculty of Technology and Metallurgy, University of Belgrade Laboratory for Food Chemistry and Nutrition, Faculty of Food Technology and Biotechnology, University of Zagreb, Croatia Public Health professionals scientists and researchers	Introduction to FP7 BaSeFood project - www.srbnutrition.info/home , WP6, local dissemination (IMR)
June 11-13, 2010	Spiritualization of Health through Tradition, Love and Knowledge	Braditel, Piatra Neamt, Romania	Workshop	Food scientists, social science scientists, general public	Project's overview, Romanian traditional foods - WP6, WP1 (ASE)
June 20-24, 2010	Pigments in Foods, Sixth International Congress	Budapest, Hungary	Presentation	Food scientists, stakeholders	Colour stability of enzymically modified pumpkin purees upon heating (WP4) (UFT)
June 24, 2010	"SME - DAY Ricerca e Impresa agroalimentare si incontrano a Lodi" Parco Tecnologico Padano	Lodi, Italy	Presentation	Food Stakeholders	Project overview - WP6 (SPES)
July 9, 2010	FOOD PRO-FIT seminar	Athens, Greece	Presentation	Food producing SMEs, chefs, caterers, dieticians,	Project overview – WP6 (HHF)
August 22-27, 2010	28th International Horticulture Congress	Lisbon, Portugal	Poster presentation	Horticulture and food scientists, stakeholders	Bioactive components from the Black Sea Area traditional foods (WP1-WP6) (INSA-UNIBO-IFR)
August 22-27, 2010	28th International Horticulture Congress	Lisbon, Portugal	Poster presentation	Horticulture and food scientists, stakeholders	South European kales: a cross country, cross cultural research (WP1)

					(INSA-UNIBO-YEDITEPE)
September 7, 2010	Greek Technological Platform "Food for Life"	Athens, Greece	Presentation	Food Stakeholders	Project overview - WP6 - (SPES-SEVT)
September 14-18, 2010	14th International Biotechnology Symposium and Exhibition IBS-2010	Rimini, Italy	Poster presentation	Biotechnology scientists, other stakeholders	Early studies of traditional foods in Ukraine within the framework of the "BaSeFood" project: first results and prospects – WP1 and WP3 (UZHNU)
September 15, 2010	FOOD PRO-FIT seminar	Crete, Greece	Presentation	Food producing SMEs, chefs, caterers, dieticians, ...	Project overview – WP6 (HHF)
September 20, 2010	Decision of Accreditation of DNR into Center of Excellence in Nutritional Research	Belgrade, Serbia	website, uploading the Decision	Serbian scientists and researchers	Introduction to FP7 projects, www.srbnutrition.info/home , WP6, local dissemination (IMR)
15-17 October 2010	Fall traditional dishes in the Carpathian cuisine	Simon, Bran, Romania	Cluster workshop	Researchers, facilitators in disseminating food recipes, general public	Romanian traditional foods keeping and producing WP1 (ASE)
November 3-4, November, 2010	64th International Scientific Conference of the Students and Young Scientists "Actual Problems of the Modern Medicine"	Kyiv, Ukraine	2 oral Presentation, Abstract published	Medical Scientists and Stakeholders (Pharmaceutical Companies)	WP2 and WP3, introduction and first results UzhNU 1. Contamination of the plant originated raw materials for the traditional dishes with microscopic fungi (Andriy Pauk); 2. Quality of the plant-originated traditional food products (Mariia Mudryk);

November 3-5, 2010	International scientific symposium: Biodiversity and Sustainable Diets	FAO - Rome, Italy	Presentation	Food and agriculture scientists, policy makers	Recent achievements in Europe through EuroFIR and BaSeFood projects. Project overview – WP6 (IFR)
November 3-5, 2010	International scientific symposium: Biodiversity and Sustainable Diets	FAO - Rome, Italy	Poster presentation	Food and agriculture scientists, policy makers	Plant and food diversity in the Black Sea Area: preliminary case-studies outline Project overview – WP1 (UNIBO)
November 9-11, 2010	International Scientific Conference on Gastro-Intestinal Microbial Ecology	Kosice, Slovak Republic	Invited Lecture	Food stakeholder, food scientists, gut microbiologists	Key microbial players in initiating, developing and maintaining of the specific immune response in the mucous sites: from theory to practice Nadiya Boyko Introduction of WP3 (UzhNU)
November 18, 2010	Indexing Traditional Romanian's Food Meeting	Belgrade, Serbia	website, uploading the Agenda	BaseFood partners, worldwide	http://www.srbnutrition.info/?page=Home , WP6 (ASE/IMR)
November 20, 2010	Indexing Traditional Romanian's Food	Belgrade, Serbia	website - uploading photos	BaseFood partners, worldwide	photo gallery at www.srbnutrition.info/?page=page4c7f969a1875e , WP6 (ASE/IMR)
November 21-24, 2010	8th Euro Fed Lipid Congress	Munich, Germany	Presentation	Food and agriculture scientists	Comparison of fatty acids profile and total fat content in five types of oilseeds - WP2 - INSA
November 25-26, 2010	Gastroenterology and Clinical Pharmacology 7th Scientific Session of Scientific Institute (SPSMA named after I.I. Mechnikov)	Sankt-Petersburg, Russia	Oral Presentation, Abstracts, published	Medical Scientists and Stakeholders (Pharmaceutical Companies)	Microorganisms as indicators for "somatic" human diseases: introduction and first results Nadiya Boyko WP3 (UzhNU)

Nov./Dec. 2010 every Thursday	Training Idelier Business Club Let's talk Life	ASE Bucharest, Romania	Presentations and talks	Scientists, students	Education and changing perception on food and traditions Contribution for branding a sound society
December 5-7, 2010	Workshop (organised by UzhNU) "Capacity building of innovation opportunities of Ukrainian SMEs through participation in FP7: benefits and prospects for Agrarian and Food business"	Uzhhorod, Ukraine	Presentation, Oral Lecture	Food stakeholder, food scientists, Food policy makers	NTP platform as instrument for enhanced participation in FP7: BaSeFood WP 6 (UzhNU)
December 15, 2010	Respiritualization and Holism in Interpreting Human beings Behavior Workshop	USH Bucharest	Presentations and talks	Scientists, academics, doctors, stakeholders, students	Bridging Spirituality and Health
January 2011	Alternative Sciences Association/Business Club	ASE Bucharest	Book launch	Scientists, students	Book C.Costea , A.Stroia (coord) <i>Invata de toate Ed ASE 2011- WP6, WP1 (ASE)</i>
February 4, 2011	Workshop, University of Debrecen, "We are what we eat"	Debrecen, Hungary	Oral presentation	Medical doctors, Professors, associated professors, nutritionists, marketing services, scientists	"Food and microbial Ags in regulation of human health: their initiating and indicative role" – Nadiya Boyko, WP3 (UzhNU)
February 10, 2011	Radio, Regional (local) translation	Uzhhorod, Ukraine	45 min	Potential stakeholders in Transcarpathian region	"Food for Life in Ukraine: NTP in creation and project BaSeFood (Nadiya Boyko)" - WP6 - UzhNU
February 22, 2011	Medical Faculty Conference, Uzhhorod National University	Uzhhorod, Ukraine	3 poster presentations	Medical doctors, Professors, associated professors, PhD students, scientists	1. Traditional dishes and beverages of plant origin quality and safety: the key microorganisms (Mariia Mudryk) - WP2 (UzhNU) 2. Methods for epidemiological

					<p>analysis of dietary diaries (users) in early diagnosis of metabolic disorders of human diseases (Nelya Koval) - WP3 (UzhNU)</p> <p>3. Functional products and biopreparations: new approaches (Larysa Bugyna and Yuriy Rusyn) - WP2 (UzhNU)</p>
February 24-26, 2011	Let's Liberate Diversity Forum	Szeged, Hungary	Poster and PP presentation	Farmers, gardeners, bakers and processors, civil society organizations, researchers, breeders and representatives of gene banks	Introduction BaSeFood project- WP6 (Elkana)
March 8, 2011	UNU/SCN Network for Capacity Development in Nutrition for CEE, website	Belgrade, Serbia	Website, BaSeFood Newsletters upload	NCDN CEE Members, worldwide	http://www.agrowebcee.net/ncdn/home/ , WP6 (IMR)
March 17-18, 2011	VIII International Students Scientific Conference	Vinnytsya, Ukraine	Oral presentations	Students, Young Scientists, Medical Scientists	Bacteria of the <i>Lactobacillus</i> genus in food products of plant origin (Ivan Kutchak) - WP 2 (UzhNU)
March/April 2011 Every Thursday	Alternative Sciences Association/Business Club Branding Romania through its culinary habits Training Idelier	ASE Bucharest	Presentations and talks	Scientists, stakeholders, students	Changing perception of the local consumption habits - WP6, WP1 (ASE)
April 8-9, 2011	External and endoecological aspects of human health	Kvitka Polonyny", Transcarpathian oblast, Ukraine	2 oral presentations, abstracts published	Food scientists public health professionals, Food stakeholders, SMEs	WP2 and WP3 UzhNU (P06) 1. The microbial contamination levels of selected fruits and first results of their pro- and

					<p>antibacterial influence of their extracts on bacteria from <i>Enterobacteriaceae</i> family (Mariia Mudryk)</p> <p>2. Determinative food and bacterial (microbial) antigens in prevention of human immune-metabolic diseases (Nadiya Boyko)</p>
May 10, 2011	Partner visit	Belgrade, Serbia	presentation	IMR, Faculty of Pharmacy, University of Belgrade, Institute for Medical Plants Research, professors, professionals, researchers	Can dietary polyphenols deliver health benefits? Paul Kroon (IFR/IMR) WP3,WP6
May 10, 2011	Partner visit	Belgrade, Serbia	presentation	IMR, Faculty of Pharmacy, University of Belgrade, Institute for Medical Plants Research, professors, professionals, researchers	BaSeFood project – General aspects and current status. (IMR/IFR) WP3,WP6
May 23–28, 2011	Scientific Conference “BIOLOGICALLY ACTIVE SUBSTANCES: Fundamental and Applied Problems”	Novy Svit, AR Crimea, Ukraine	Abstract, Poster Presentation	Food, chemistry and agriculture scientists	Functional Products and Biopreparations: New Approaches Larysa Bugyna WP 3 (UzhNU)
June, 14-16, 2011	International scientific conference of Probiotics and Prebiotics	Kosice, Slovak Republic	Invited Lecture, Abstract, Oral Presentation	Food, health and nutrition scientists	Beneficial bacteria in Traditional Fermented Products from Black Sea Area Countries and Their Interaction with Gut Microbiota – Findings of the BaSeFood Project

					Nadiya Boyko WP 2 (UzhNU)
June 22-24, 2011	2nd International Conference on Food- Omics	Cesena, Italy	Poster presentation	Food and health scientists	Measuring bioactivity of Black Sea area traditional foods WP3, (UNIBO)
July 1, 2011	IFR 2011 Student Science Showcase	Norwich, UK	Poster presentation	Norwich Research Park scientists	Early changes in vascular endothelial cell signalling in response to human quercetin metabolites: A phospho-array study. WP3, Task 3.2 (IFR)
August 26, 2011	FuturICT Knowledge Accelerator Bucuresti, ROMANIA	Bucharest, Romania	Workshop	Scientists, researchers, politicians, students	Project dissemination and future possibilities for follow up
September 11-15, 2011	EUROanalysis 16, European Conference on Analytical Chemistry, Challenges in Modern Analytical Chemistry	Belgrade, Serbia	2 Poster presentations	Students and Food Scientists	1. Bioactive phytosterols and fatty acids profile of traditional foods from black sea area countries (WP2) INSA 2. Analysis of Carotenoids, Vitamins and Folates in Traditional Foods from Black Sea Area (WP2) INSA
September 14-16, 2011	9th International food data Conference	Norwich, UK	3 Oral presentations	Food and health scientists	1. Variability of glucosinolates and phenolics in local kale populations from Turkey, Italy and Portugal. WP4 - WP2 (UNIBO) 2. New nutritional data on selected traditional foods from Black Sea area countries. WP2 (INSA) 3. The role of micro-

					organisms and their metabolites in determining functional properties of traditional foods. WP2 (UZHNU)
September 14-16, 2011	9th International food data Conference	Norwich, UK	4 Poster presentation	Food and health scientists	<p>1. Black Sea area traditional foods as a new, valuable source of antioxidant polyphenols. WP3. (UNIBO)</p> <p>2. Determination of total folate content in traditional foods from Black Sea Area countries. WP2 (IFR - INSA)</p> <p>3. Proximate composition of plant origin traditional foods from Black Sea Area Countries. WP2 (INSA)</p> <p>4. Riboflavin content in selected traditional foods from Black Sea Area countries. WP2 (INSA).</p>
October 12-13, 2011	Annual Meeting of the Italian Society of Human Nutrition on "Nutrition and cardiovascular risk"	Naples, Italy	Poster presentation	Food and health scientists	Bioactivity of traditional foods of the Black Sea area: first screening of the possible role in preventing cardiovascular disease. WP3 (UNIBO)
October 12-14, 2011	4 th International Congress on Food and Nutrition and 3 rd Safe Consortium International Congress on Food Safety	Istanbul, Turkey	1 oral presentation	Students and Food Scientists	Traditional foods: a contribution to biodiversity and sustainable diets WP6 (INSA)

October 12-14, 2011	4 th International Congress on Food and Nutrition and 3 rd Safe Consortium International Congress on Food Safety	Istanbul, Turkey	2 poster presentations		<p>1. Traditional foods from the Black Sea Area countries: minerals and trace elements content WP2 (INSA)</p> <p>2. Proximate composition of traditional vegetable and fruit based foods from Black Sea Area countries WP2 (INSA)</p>
October 17-20, 2011	5 th International Conference on Polyphenols and Health	Sitges, Spain	Poster presentation	Food and health scientists	Early changes in vascular endothelial cell signalling in response to human quercetin metabolites: A phospho-array study. WP3, Task 3.2 (IFR)
25th – 27th October 2011	Food and Function, 2011	Kosice, Slovakia	Keynote lecture	Food stakeholder, food scientists, Food policy makers http://www.foodandfunction.net/Conference	WP1, WP2, WP3 and WP6, UzhNU (P06) Beneficial Micro-organisms of Traditional Fermented Food from the Black Sea Area and their Role in Gut Homeostasis - Findings of the BaSeFood Project Nadiya Boyko (UzhNU)
October 27, 2011	4 ^a Reunião Annual PortFIR	Lisbon, Portugal	2 poster presentations	Students, Stakeholders and Food Scientists	<p>1. Lipid profile of traditional foods from Black Sea Area countries WP2 (INSA)</p> <p>2. Nutritional composition of traditional foods from Black Sea Area countries WP2 (INSA)</p>
October 26-29, 2011	11 th European Nutrition Conference	Madrid, Spain	Oral presentation	Food scientists, public health professionals, food stakeholders,	Dietary data and mortality patterns in countries of the Black Sea region WP1 (HHF)

				SMEs	
October 26-29, 2011	11 th European Nutrition Conference	Madrid, Spain	Poster presentation	Food scientists, public health professionals, food stakeholders, SMEs	Traditional foods of Black Sea Countries WP1 (HHF)
October 26-29, 2011	11 th European Nutrition Conference	Madrid, Spain	Oral presentation	Food scientists, public health professionals, food stakeholders, SMEs	Traditional foods of plant origin maintain the mucosal immune response via its prebiotic effect on gut microbes WP3 (UzhNU)
October 26-29, 2011	11 th European Nutrition Conference	Madrid, Spain	Poster presentation	Food scientists, public health professionals, food stakeholders, SMEs	Key-microorganisms in food quality / food safety of traditional dishes and drinks prioritised within BaSeFood project WP2 (UzhNU)
October 2011	Centre of Research Excellence in Nutrition and Metabolism (CENM) website	Belgrade, Serbia	BaSeFood newsletter upload	Serbia and worldwide	BaseFood Newsletter Issue 5, September 2011, uploaded to the CENM website, WP6–(IMR)
October 2011	Network for Capacity Development in Nutrition for Central and Eastern Europe, NCDN CEE website	Belgrade, Serbia	BaSeFood newsletter upload	NCDN CEE members and worldwide	BaseFood Newsletter Issue 5, linked to the NCDNCEE website WP6 – (IMR)
November 29, 2011	CENM Press conference	Belgrade, Serbia	BaSeFood leaflet distribution	Media representatives in Serbia	BaSeFood leaflet in Serbian/English distributed– WP6–local dissemination (IMR)
December 15-16, 2011	Preparatory Meeting for FAO Regional Conference for Europe and Central Asia	FAOREU Budapest, Hungary	CENM leaflet distribution	Civil Society representatives for Europe and Central Asia	CENM leaflet distributed with link to BaSeFood website Dissemination – WP7 – (IMR)
